

## Ordering Instructions for “Red, White and Blue Book”

This year the curriculum and test is changing for the AP US History exam. Your student will need to order the following book in preparation for the changes. Your student will have assignments for the summer out of this book in addition to assignments all year long because of the changes. You will need to **order** this book **within the next two weeks** to ensure that they receive the book in time for the assignment to be completed by the end of summer. Lastly, it has to be the **2020 edition** – the older editions do not have the information needed for the new exam.
