

Summer 2020– AP US History LEQ's – NOT OUTLINES

Follow the directions on the opposite side of this assignment for LEQ's. They are considered a TEST score, each question is worth 40 points (if there are 4 outlines, then it is a 160 point test – this is 200 points of your summer assignment – that is a test grade). These outlines are due the first day of class.

1. Evaluate the extent to which commercial exchange systems such as mercantilism fostered change in the British North American economy in the period 1660–1775.
2. Compare and contrast the British, French, and Spanish imperial goals in North America between 1580 and 1763.
3. Explain how religious ideas and values held by the British American colonists influenced the political, economic, and social development from 1607 to 1700.
4. Evaluate the ways in which actions taken by American Indians and European colonists shaped relationships in New England and the Spanish Southwest.
5. Compare and contrast the economic and political development of the New England and Chesapeake colonies from 1607 – 1750.
